

TO RESIZE YOUR PICTURE

Open your picture in Photoshop

Go to EDIT and choose IMAGE SIZE

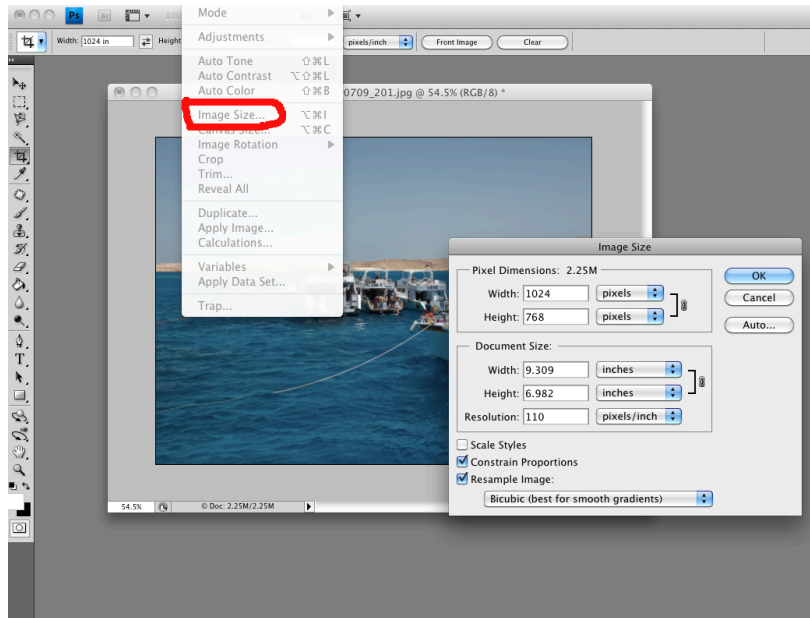

Tick (constrain properties)

Tick (resample image)

If it is a landscape picture put 1024 In the width box

If it is an upright picture put 768 in the height box

Click ok

Go to FILE then SAVE AS and give it a name.

The software we use requires it is named in a set way.

Title (In Capitals) by (lowercase) (Membership number) .jpg

Example BOATS by 8.jpg

Then email them to robin@fdcc.co.uk
